Portfolio: <https://shavishathiloshini.github.io/portfolio-website/>

## PROFILE

Motivated Software Engineering student with a growing foundation in frontend development, UI/UX design, and educational outreach. Skilled in Figma, HTML, CSS, JavaScript, and MS Office, with hands-on experience building full-stack personal projects. Combines strong technical problem-solving with proven teaching ability, having delivered a student seminar on Artificial Intelligence. Fast learner, clear communicator, and eager to contribute to real-world software projects while continuing to grow across both development and education.

## EDUCATION

- ESOF Metro Campus — HND in Software Engineering (2025 – 2026, Completed)
- ESOF Metro Campus — Diploma in Information Technology (2024 – 2025)
- ESOF Metro Campus — Diploma in English (2024 – 2025)
- Cambridge — Cambridge Preliminary English Test (2025)
- St. Mary's College, Trincomalee — G.C.E. Ordinary Level (2024)

## EXPERIENCE

### AI Awareness Seminar — ESOF Metro Campus

2025

- Conducted an educational seminar for school students on Artificial Intelligence
- Explained AI concepts and industry use cases in clear, student-friendly terms
- Engaged students through interactive discussion and real-life examples, strengthening presentation and communication skills

### Hackathon Participant

2025

- Collaborated with a team to solve real-world problems under time pressure
- Contributed to rapid prototyping while improving teamwork and time management

## PERSONAL PROJECTS

### FrogFocus — Study Session Timer App

React, Tailwind CSS, Supabase, PostgreSQL, Recharts

- Full-stack productivity web app with a focus timer, session tracking, and reward system
- Implemented authentication, cloud storage, and real-time analytics of weekly study progress

### Portfolio Website

HTML, CSS, JavaScript, Figma, GitHub Pages

- Responsive personal portfolio with animated skill indicators, project previews, and a contact form

### Penny Forest — Personal Budget Tracker

HTML, CSS, JavaScript, Chart.js, LocalStorage

- Multi-page budgeting app with income/expense dashboards and charted spending analytics

### Habity — Habit Tracker App

HTML, CSS, JavaScript, LocalStorage

- Habit tracker with daily streaks, weekly progress view, and persistent local storage

## TECHNICAL SKILLS

- Front-End: HTML, CSS, JavaScript (foundational)
- Design: Figma (UI/UX Design)
- Programming: Python (basic)
- Tools: MS Office Applications, GitHub

## TEACHING & COMMUNICATION SKILLS

- Clear and effective communication; ability to simplify complex topics
- Presentation and public speaking; student engagement and interaction
- Patience, adaptability, and basic mentoring and guidance
